

WELCOME TO MADjam!

We are excited to share this experience with you. Here are some tips & reminders to help everyone have a great time.

- You need your wristband all weekend to get into the event space. Don't take it off!
- Tables are labeled to help you find people from your local area or other special groups such as "newcomers." Seating is shared and may not be reserved; please keep belongings off the chairs. You are welcome to sit on the dance floor or stand during performances for the best views. Carpeted areas must remain clear for traffic flow.
- Workshop presenters will invite participants to record a brief summary for personal use only at the end of each class. Video recording is also welcome during all contests. If you share contest videos online, please tag "MADjam 2018" in the description. Social dancing should be recorded only sparingly and with willing participants; please ask for permission from the dancers shown before posting social dance videos online. No tripods, extension cords, lights or flashes allowed in any ballrooms.
- Please be prompt for workshops. To ensure the best experience for all late entry is not allowed.
- Hotel policy prohibits outside food or beverages in the ballrooms.
- Lost & Found items will be held at the registration desk through 5pm Sunday. After that contact hotel directly.
- Watch Dance Jam TV on channel 73 in your guest room or online at DanceJamTV.com!

Contest Entry Deadlines - Everyone must check in and pick up your competitor number before these deadlines: *ProAm Friday 12pm; Strictly Swing Friday 3pm; Saturday 10am Jack & Jill, 2pm for all remaining contests.* All competitors must also check in at the staging area 15 minutes before your contest begins.

Private Lessons - Pro staff members are available for private lessons. Contact them directly to schedule.
